

By train and bus

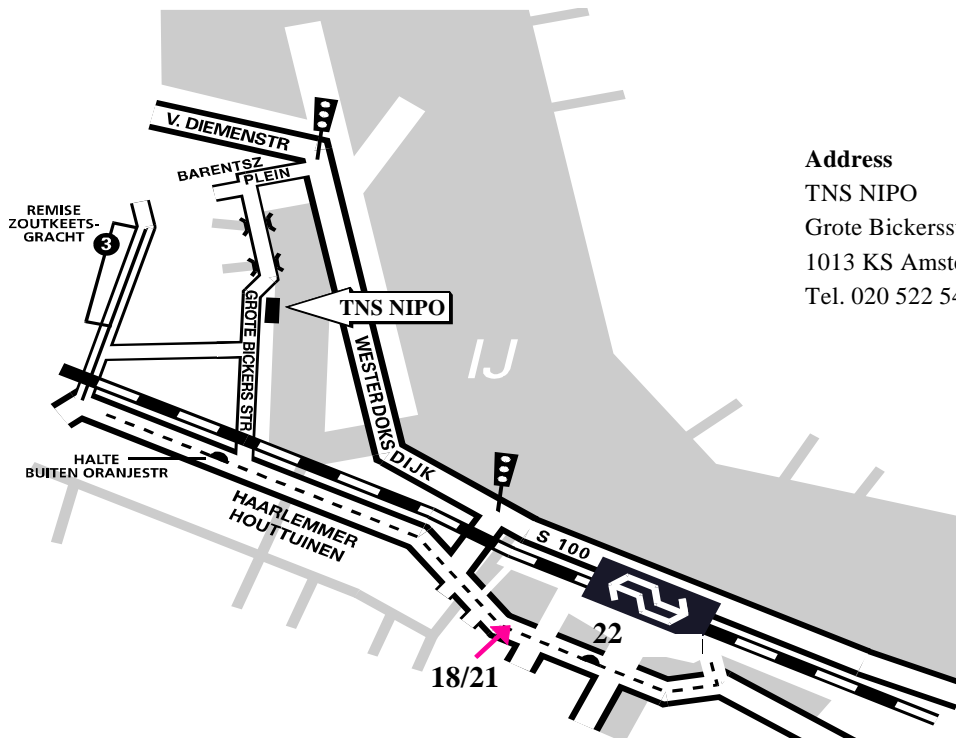

- From Amsterdam central station, you can take bus 18 (to Slotervaart) or bus 22 (to Zaanstraat).
- Leave the station through the central hall and the main entrance. Head straight, towards the crossing on the Prins Hendrikkade (opposite the Victoria hotel). Cross the street diagonally; you will find the busstop for bus 22 in the middle. When you walk a little further to the right, past the next crossing (and past the Martelaarsgracht), you will see the stops for busses 18 and 21 on an isle in the middle of the Prins Hendrikkade.
- Get off at 'Buiten Oranjestraat' and cross the street in the direction of the railway line. Continue under the rail viaduct, into 'Grote Bickersstraat'.
- After approx. 400 metres, you will see the TNS NIPO building "De Walvis" on your right at no. 74. Pass the barrier just before the bend and continue onto the parking area.

Enter the hall via the main entrance (revolving door) where you can report to the receptionist.

By train and on foot (approx. 15 min. walk)

- Leave the station through the central hall and the main entrance. Head directly to the right (don't cross the water).
- Pass the IBIS hotel and turn left over the bridge.
- Go up the steps. You will see a large office building (Clifford Chance) ahead of you. Continue along the footpath, cross over twice, and then remain on the pavement on the right-hand side of the road.
- The footpath continues along the railway line, then becomes narrow and slightly uphill as it goes over the bridge. Continue until the first set of traffic lights.
- Turn right at the traffic lights, walk under the railway viaduct and continue straight ahead, into 'Grote Bickersstraat'.
- After approx. 400 metres you will see the TNS NIPO building "De Walvis" on your right at no. 74. Pass the barrier just before the bend and continue onto the parking area. Enter the hall via the main entrance (revolving door) where you can report to the receptionist.
